Homes of Distinction

Heritage Builders is the preeminent builder of luxurious custom homes in the Sarasota area. As an accomplished home builder, we construct homes with a careful eye for timeless architectural design, open floor plans, attention to detail and exceptional standards of quality. Our home building philosophy provides unparalleled livability and enduring value to our clients.

Heritage Builders delivers a superior level of service to buyers of new community residences and one-of-a-kind custom homes. Whether creating a unique design or customizing one of our proven Portfolio home plans, our team of professionals is attentive to the needs of its clients and conducts all steps of the construction process with the highest level of integrity. When building your home in one of our signature communities, on a waterfront property, or on your lot, the Heritage Builders team will ensure you receive the service you deserve.

Centrally located in Sarasota, our Design Gallery offers an array of products and finishes encompassing all areas of your home. Our customers also have the opportunity to select various components of their home through our preferred suppliers and vendors. Our team of building professionals provides only the best in quality materials and construction practices.
